

CLASS TIMETABLE

AUTUMN 2024

SATURDAY 7TH SEPTEMBER
TO
SATURDAY 14TH DECEMBER

HALF TERM: MON 28TH OCT - SAT 2ND NOV

HOW DO WE ALLOCATE A CHILD TO A CLASS?

Pre-School, Infant and Exam-based classes

The child is added to the classes based on their school age group and/or their current level of ability. This may differ if your child is a new/late starter or indeed has an advanced ability for their age group.

NB. In the event that your child is placed in a class that is unsuitable for their needs and level of technique we will advise whether they need to move into a higher or lower level class.

Non-Exam classes

The non-exam classes of Acro, Fusion, Commercial and iPerform are a combination of age groups categorised as 4 different 'Levels'. Working in this way means the students benefit from working in larger groups and they are exposed to different techniques due to learning alongside their peers from higher level exam classes. See below for details of which level class your child should attend.

NB. The classes are structured to ensure the older students are challenged to make progress and the younger children are nurtured in a safe learning environment by not being pushed beyond their capabilities.

Non-Exam Classes (Which Level and Which Class?)

Our timetable of classes details the available classes for our students across the week. For full details of the classes your child is signed up to please refer to the portal.

Pathway of Training

What to expect from the classes your child attends at Hamilton Dance

Below you will see a colour-coded table which details the different types of classes on offer and the level of progress you should expect from different pathways of study.

The timetable is now colour coded to match this chart to make it easier to find the style of dance class your child is keen to attend. We no longer colour code based on age group so it's important to read the class level and age brackets carefully and follow these descriptors to help find the appropriate class times for your child.

We would advise that the expectations of parents and children are managed based on the frequency and type of classes the child attends each week. It goes without saying that a child who attends a combination of exam classes and additional non-exam and complementary training classes will progress at a much quicker rate than a child who doesn't attend a full variety of classes.

For more information on the different dance styles and classes please refer to the school handbook (pages 6 and 7).
